## **Collective Worship**

**Summer 2017**

The graphic features a smiling sun, a flower, and a leaf. The word 'Summer' is written in large, colorful, stylized letters. Below it, 'term 2017' is written in smaller, colorful letters, and 'Themes of Worship' is written in pink.

Dear Colleague,

We are delighted Linda Goadby, from Sheepy Magna Church of England Primary School, has selected and written the themes of worship for this coming Summer Term.

Every subject has been designed to contribute to the education of pupils and provide them with spiritual growth and respect of each other's religious beliefs and practices.

Each theme can last for one day, a week, a half term or the length of the festival (eg. Easter) - it is entirely up to you!

Provided are a list of relevant websites and resources that will help and inspire you to lead engaging and inspiring Collective Worship!

Once again, a huge thanks to Linda for her hard work.

Some schools use the liturgical colours to support expression of Anglican distinctiveness and tradition. The liturgical seasons can be depicted with coloured material draped on a focus table or ribbon draped around a cross. You can find more information about this on the following link: <http://www.liturgyoffice.org.uk/Calendar/Info/background1.shtml>

Colour	Season Mood	When used
White	Joy and Rejoice	Christmas, Easter, Epiphany, Ascension, All Saints
Purple	Thinking deeply and waiting	Advent Lent
Green	A time to grow	Ordinary days (not celebrations)
Red	Sad times and certain Joyful times	Ordinary days (not celebrations)

**OUR PLANET AND ITS PEOPLE: THINKING GLOBALLY**

**“Go everywhere in the world and tell the good news to everyone.”**

*Mark 16:15*

This term, our Collective Worship themes are based around global issues and how they link or compare to our everyday life. Each week has a suggested theme and explores issues from different countries around the world. It would be useful to have a world map displayed to locate the different countries that are discussed throughout this term. A nice extra would be to include music for reflection from around the world.

\* Please note that many of the Christian Aid assemblies have accompanying slide show presentations with notes, all available to download freely.
