St. Anne's C.E. Primary School

Dear Parent/ Carer,

A suggestion has been made to replace the weekly newsletter with communication via social media, such as Twitter. We are, however, aware that many parents highly value the newsletter. To assist us in arriving at a decision, we would be extremely grateful if you could detach and complete the reply slip below, to indicate whether you would like the newsletter to continue in its current format, or be replaced by a different channel of communication.

In the meantime before a decision is made, we would be grateful if you would contact the school, should you wish to be provided with a black and white copy of the newsletter. If we do not receive a response by **Friday, 22nd September**, we will assume that you are happy to view the newsletter online. Please note that it is uploaded to the website every Friday, unless technical issues dictate otherwise.

We thank you for your input in the school's continuous self-evaluation. Should you have any comments to make, please feel free to do so via the many routes which are open to you.

Yours sincerely,

Mrs. L. Sixsmith

Head Teacher
