St. Anne's C.E. Primary School

Dear Parent/ Carer,

Welcome back to a new school year and welcome to Year Three! Here are a few things to note that will help everyone settle into their new routine in the coming weeks.

PE

The children should keep their PE kit in school all week to ensure they are always able to fully participate in the lesson, however their lessons will occur on a Wednesday afternoon. Please ensure your child has appropriate trainers/plimsolls so they are able to join in safely. The children can take their kit home over the weekend if it needs washing.

Swimming

Children will begin their swimming lessons in Year 3. The lessons will start later in the year and you will receive information about this nearer the time.

Homework

Homework will be given out on a Thursday and should be handed back in on a Monday.

Homework will consist of:

- One piece of either Maths or English/creative homework – this will alternate each week.
- One piece from the English homework grid where the children can pick from a range of activities. If a creative activity is chosen, where the child will make something, please make a note of this in their homework book and if possible, take and stick in a picture. More time can be allocated for these extended activities.
- Please also encourage your child to read at home and if possible ask them questions on their book. This will help them when they come to do their quiz on Accelerated Reader. It is really important that children bring their book to school every day so that they can develop their skills during our daily reading sessions.

If you have any questions or concerns, please don't hesitate to ask.

Miss N Kay
