

A time to Hope – Your kingdom come...

Dear God

We thank you for Unicef and other organizations that work for children and their rights.

Thank you God that every child no matter who they are or where they live has the right to grow up safe, happy and healthy.

We thank you for the good things in our lives and the rights that we enjoy.

Help us to be agents of change where children don't have these rights and help us to bring hope to them. We believe that we can be the answer to someone else's prayer.

Fill us with your hope today – fill us with your light from head to toe.

Help us to walk in your light, and to live our lives in faith and love and with respect for others.

In Jesus Name

Amen
