St. Anne's C.E. Primary School

Dear Parents/Guardians,

We would like to take this opportunity to welcome you to Year 2! We are overjoyed to have the children back and hope they are settling well into their 'new normal'.

Initially, we will be re-assessing the children to gain a better understanding as to where their learning is following lockdown. Following this, we will be able to target their learning to cater for their individual needs and fill any gaps which may have formed.

During the first half term, the children will be learning about living things and their habitats. Our class text will be 'Wild' by Emily Hughes. Also, we will be reading 'The Enchanted Wood' by Enid Blyton to develop the children's comprehension skills.

Homework will be sent home on a Friday and should be returned to school the following Thursday.

Please ensure your child's reading book is in school every day so it can be changed promptly. We recommend that you continue to listen to your child read on a regular basis. It is also important that you read to your child as this will introduce a wide range of vocabulary and build your child's enjoyment of reading.

P.E. will be on a Wednesday. Please ensure your child has their PE kit in school at all times as we will be trying to work outdoors as much as possible.

Feel free to contact us with any questions. This is going to be a strange start for everyone, but our aim is to keep your child happy, healthy and safe so they are able to reach their full potential in year 2.

Many thanks,

Mrs Laidler and Mrs Barron
