

## Safe Return to School Parent Guidance

Formatted: Font color: Dark Red

July<del>June</del> 2020

#### **Safe Return Guidance for Parents**

\_\_\_\_

#### St. Anne's CE Primary and Nursery School

Reopening Plan in Preparation for September 2020

his plan, which is part of a wider reopening plan and risk assessment, serves to support pupils, staff and sitors through the reopening of the school after a period of partial closure due to Covid19 and has been formed by the following government guidance:

ttps://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirusutbreak/guidance-for-full-opening-schools

/hat parents and carers need to know about schools and other education settings during the coronavirus utbreakhttps://www.gov.uk/government/publications/coronavirus-covid-19-early-years-and-childcare-

osures/coronavirus-covid-19-early-years-and-childcare-closures

ttps://www.gov.uk/government/publications/guidance-for-full-opening-special-schools-and-otherpecialist-settings?utm\_source=02a881e2-265a-4b6d-a67d-

8470d12440a&utm\_medium=email&utm\_campaign=govuk-notifications&utm\_content=immediate\_

he public health advice applied in this plan makes up a PHE-endorsed 'system of controls', building on the ierarchy of protective measures that have been in use throughout the coronavirus (COVID-19) outbreak. hese measures create an inherently safe environment for children and staff where the risk of infection is ubstantially reduced.

#### Please note:

he plan is subject to change as a consequence of renewed advice from Public Health England, (PHE), UK overnment and Department for Education and any other relevant body.

\_\_\_\_\_

The plan has been agreed by the Governing Board of St. Anne's CE Primary and Nursery School.

It Formatted: Normal. No bullets or numbering is essential that you ensure you arrive at your child's allocated time Formatted: Font: 13 pt, Font color: Dark Red To further secure safety and minimise congestion on access and egress, a one-way system will operate around the Formatted: Font: 11 pt perimeter of the site. Markings and posters show entrance to the school grounds is accessed via the main car park Formatted: Font: 11 pt. Font color: Dark Red vehicular entrance gate. Continue on the drive past nursery, turn right along the path at the back of Reception and Formatted: Font: 11 pt right again onto the main playground, where you will wait on socially, distanced markings opposite the fire do Formatted: Font: 11 pt, Font color: Dark Red entrance to your child's classroom. Staff will be available at given points on the first day to direct you along this route. Formatted: Font: 11 pt Remain at least 2 metres away from others at all times - markings and posters will help you maintain Formatted: Font: 11 pt this distance along the pathways and staff will be on hand to instruct parents in the initial stages. Formatted: Font: 11 pt. Font color: Dark Red Formatted: Font: 11 pt Parents will not be allowed into the main door reception area. Should you wish to contact a member of Formatted: Font: 11 pt staff, please send a message via email or phone the school office. Essential pupil medication should be Formatted: Font: 11 pt handed to a member of staff attached to your child's cohort on arrival, Formatted: Font: 11 pt Only one parent/carer is permitted to accompany their child. If other siblings can't be left at home, they Formatted: Font: 11 pt, Font color: Dark Red may accompany the adult, but the whole household unit must follow social distancing. Formatted: Font: 11 pt If a parent/carer needs to leave siblings at different times, they should join the allocated socially-Formatted: Font: 11 pt, Font color: Dark Red distanced line on the playground and wait. Otherwise, please contact the office for advice, Formatted: Font: 11 pt. Font color: Dark Red Formatted: Font: 11 pt, Font color: Dark Red Formatted: Font: 11 pt Formatted: Font: 11 pt, Font color: Dark Red Formatted: Font color: Dark Red Nursery parents should follow the usual route to the Nursery, where they will be met at the porch door. Formatted: Normal. No bullets or numbering Please do not cross the hatched area. Children only should enter the Nursery. Please exit across the car Formatted: Font: 11 pt, Font color: Dark Red park and up the pedestrian path. There will be no staff vehicle movement into the car park after 8.30am, Formatted: Font: 11 pt, Font color: Dark Red Children from Reception to Year 3 must be accompanied onto the yard, following the route. Staff will Formatted: Font: 11 pt, Font color: Dark Red meet children at the external entrance to the classroom they are based in. Please do not cross the hatched Formatted: Font: 11 pt. Font color: Dark Red area. Children only should enter the school. Formatted: Font: 11 pt, Font color: Dark Red Years 4-6 pupils can enter the school site unaccompanied. Staff will meet them at the gate to direct them Formatted: Font: 11 pt. Font color: Dark Red in the initial stages Formatted: Font: 11 pt. Font color: Dark Red Formatted: Font: 11 pt, Font color: Dark Red All children will enter the classrooms via the class fire door entrance; no one is to use the main entrance. Formatted: Font: 11 pt. Font color: Dark Red All children will be supervised by staff to wash their hands and hand sanitise on entering the classroom, Formatted: Font: 11 pt, Font color: Dark Red Please note that if children find it hard to leave parents, staff cannot break social distancing rules to Formatted: Font: 11 pt, Font color: Dark Red comfort them. Formatted: Font: 11 pt, Font color: Dark Red Once children are dropped off, please exit the yard immediately, turning right through the Formatted: Font: 11 pt. Font color: Dark Red wooden gate and onto the path past Year 6 classroom, then turning left to leave the premises on the path to the pedestrian gate, continuing to abide by social distancing guidelines Formatted: Font: 11 pt, Font color: Dark Red Formatted: Font color: Dark Red Please support us to set a good example of social distancing by not gathering at the gate. Formatted: List Paragraph, Right: 4.04 cm, Bulleted + Level: 1 + Aligned at: 0.84 cm + Indent at: 1.79 cm, Tab stops: 1.8 cm, Left Pick-up Formatted: Font: 13 pt There is a staggered end to the school day to ease congestion. Formatted: Right: 4.04 cm, Tab stops: 1.8 cm, Left Formatted: Font: 13 pt Ensure whoever is picking your child up is on time and knows their allocated collection point. They should Formatted: Font: 11 pt arrive as close to the pick-up time as possible to minimise the numbers of people waiting. Only one parent/carer is permitted to collect their child. If other siblings can't be left at home, they may Formatted: Font: 11 pt

e Remain at least 2 metres away from others at all times—markings and signage will help you follow the rule. Please wait on a line outside your child's classroom and follow the instructions of staff.  If a parent/carer needs to collect siblings at different times, they should move across to the allocated socially-distanced grid of the second child, Please walk around anyone already waiting, giving them 2 metres clearance. If further assistance is required by parents with multiple siblings, feel free to contact staff for advice.  Once your child is collected, depart the school grounds promptly following the morning route and adhering to social distancing rules.  If you have any messages or questions, we askthatyou email or phone the school office.  Parents are advised to supervise their child/children in washing their hands on arrival home from school.  Before the next day  Ensure children wear a clean set of clothes as often as possible.  It may be good practice for children to change out of scool uniform and, have showers/baths earlier than normal, decreasing the risk of transmission from school to the household.  Talk to your child(ren) about anything that may be causing stress or anxiety about school.  Remind children about safe practice—coughing into elbows, 'catch it, bin it, kill it', not touching face.  Wash and refill water bottles for the next day and wash and wipe lunch boxes with anti-bacterial spray  Wash and refill water bottles for the next day and wash and wipe lunch boxes with anti-bacterial spray  Termatted: Fone: 11 pt  Formatted: Fone: 11 pt  Fo

#### Uniform

ull school uniform, including black school shoes, should be worn from September 2020. Government guidance now states hat it does not need to be laundered daily. Jewellery is not permitted for pupils and they are advised **not** to wear a watch at he current time. Long hair should be tied away from the face. PE uniform should be provided for use during school time. This will be sent home to be laundered at frequent intervals.

#### **Attendance**

Usual attendance procedures will be implemented from 1 September 2020. School will work with families to alleviate any anxieties they may have regarding children returning to school. It is, however, understood that in a small number of cases specialist health professionals may advise that a pupil remains at home for health reasons or to self-isolate. Where a pupil is unable to attend school because they are complying with clinical and/or public health advice, home learning support will be provided by school.

#### reakfast Club

Vrap around care will commence from wc 7th September for Breakfast Club. The provision will be relocated from the school all to the classrooms (from Reception to Year 6) and will be supervised by the teaching assistant attached to the cohort. This is a ensure children and staff remain in isolation from all other classes. Staff will ensure robust hand washing and 'Catch it, Bin it, will it' guidance is followed and that social distancing is maintained.

Although breakfast cover can be offered for approximately 45 minutes as before, start and finish times will need to be staggered to avoid congestion and to ensure children attending are ready to start school at the same time as the rest of their cohort. Food and drink will be delivered to the classrooms by the school cook in separate named bags. Our cook will bake many of the items on the premises (eg healthy breakfast bars). Each will be individually wrapped and drinks provided in individual cartons. If you wish to take advantage of Breakfast Club provision, reservation details and times will be available from the school office in the first week of term. Unfortunately, in order to adhere to guidelines, it will be necessary to book in advance. We do appreciate this will not be as convenient, however we will readjust arrangements if/ when guidance is relaxed.

#### After-school Clubs

Provision of after-school clubs will be considered for after the autumn half-term break, as the majority of our club leaders are external providers and are unable to commence the service at the present time. The exception will be the Year 6 Maths Club, which is run by our own staff and will commence we 14<sup>th</sup> September. Details will follow shortly from the Year 6 staff team.

#### First Aid

First Aid can be administered on-the-spot, as all staff members, both teaching and non-teaching, are first-aid trained. To this end, a First Aid pack has been provided for each classroom, plus portable kits for outdoor use. As the Office Manager has recently been trained to a higher level, more serious incidents can be dealt with in the school office. When the needs of pupils require administering first aid, a facemask, apron and gloves will be worn, which will then be double-bagged for disposal, in accordance with guidance. Therefore each classroom is also provided with a store of the necessary PPE.

## St. Anne's CE Primary and Nursery Primary School

#### **Section 2: School Environment and Resources**

children will be taught in year group 'bubbles'. Different bubbles will not mix during the day, or on subsequent days. Movement between bubbles of children and staff will be kept to a minimum. Children will not be given tasks to move around school; they must be escorted by an adult from their bubble on the left-hand side of corridors. Whenever possible, bubbles will remain in esignated areas (their normal classroom) and will not share areas with other bubbles. Where the sharing is unavoidable, the area and its resources will be cleaned between use. There will be no gatherings of two or more bubbles. Collective worship will nerefore take place within class via Teams.

Whilst classes will be taught by their class teacher for the majority of the school week, other staff at times may be working with children across different class bubbles or smaller groups (Mr Bland for PE, Mrs. Elsdon for Forest School and Mr. Guy for KS2 Spanish). These staff members will adhere to the same guidelines. In order to ensure pupils, in particular those with additional needs, are fully supported, it may be necessary to deploy staff, to work with children from different class bubbles. Staff will also be deployed to support children with catch-up provision and targeted interventions. Intervention groups will have consistent pupils to avoid unnecessary contact with others. Peripatetic teachers (eg Durham LA Music teachers, Year 6 specialist Maths support) will teach 1:1 or small, contained and consistent groups. Professional colleagues (eg educational psychologist, social worker) will be allowed on site; an advice briefing will be given to all visitors, providing guidance on the physical distancing and tygiene measures which are in place and must be adhered to. On the rare occasions when it is necessary to have supply teachers on site, they will be expected to be stringent in adhering to all measures in place.

or years 1-6, a 3m space will be marked out around the teacher and teaching assistant 'stations'. Children should record dividually using individually allocated resources. Feedback to a pupil about their work will be done over the shoulder of a upil, rather than face-to-face. Written feedback should be limited to reduce handling of multiple books. Children will not be rected to work in close proximity to other children when completing group tasks. They will be encouraged to remain a safe stance away from adults and not to have physical contact with one another, although it is recognised that younger children ill find this more difficult. Equally, it is the responsibility of every staff member to maintain a social distance from other adults all times as far as is possible, to maintain their own safety and that of colleagues and pupils. Staff will indicate the route ildren will take to enter and exit via the porch door. Windows are to be kept open to allow for ventilation and doors wedged ar, to minimise touching handles Furniture in classrooms has been arranged, as far as is possible, to allow children to be ated side by side, facing the teacher, rather than facing one another at close proximity. Non-essential items of furniture have en removed to allow a larger floor space to promote social distancing. Children will be seated at an allocated double table hich they will retain throughout, each table having the child's laminated name label. The class teacher will set out a seating an to show who sits where and who will be in proximity to whom, which will be essential for 'test and trace'. Children in Years 6 will remain in their desk as far as possible, however If children need to move tables during the day, the table/chair will be aned in between. Consideration has been given to how much space the Nursery and Reception area will need, to encourage cial distancing, in line with EYFS Gov.uk guidelines.

esources will only be used within each bubble and equipment shared between class bubbles, (sport, science, art) will be eaned after each use. Whenever possible, resources should be cleaned before being used by another child/small group. hildren will use their own allocated stationery pack stored in named plastic toolkits on their table, which will be wiped daily. ach child from years 1-6 will also be given exercise books with plastic covers for all subjects so that they can be wiped clean. roups of children accessing a set of stationery will be kept to a minimum; the same group will use allocated stationery to educe use by multiple children. Equally, staff will not share stationery and pencil cases must not be brought into school from ome.. Soft furnishings and toys which are hard to clean around the classroom have been relocated in cupboards. Limited bys/equipment will be made available and will be allocated to a small group. Before they are used by another group they will be cleaned. There will be no access to sand, water or malleable materials areas. IT equipment must be cleaned after each child as used it. Games should be cleaned regularly, or laid aside untouched for at least 72 hours. Reading will also be developed on creen until further assurances are given about the contamination risk, Reading books and homework resources will be sent ome. When they are returned they will be laid aside for at least 72 hours before they are handled. Accelerated Reader books tage-appropriate level have been relocated from the library to a 'mini library' in each classroom.

Movement around school- breaks, lunch and bathrooms.

he timetable and curriculum have been reviewed to reduce the need for pupils to move about the classroom, with posters minding children to adhere to social distancing measures. Children will always access their room directly from outside and will bt be allowed beyond their allocated classroom to any other internal room without being escorted by an adult. Signage on ternal classroom doors and other exits will indicate this, The morning routine will be adapted accordingly with only one child llowed in the porch at a time, supervised by an adult. The children will leave their coat on an allocated peg to minimise risk of ongestion. Each group must spend all their time in school in isolation from other groups. This includes lunch and break time reak times and time outside will be timetabled on a daily rota system, coordinated by mobile phone contact with the relevant

#### athrooms

taff will limit the number of children who use the toilet to one at a time, always supervised by an adult. Group movement will e restricted to their allocated classroom and bathroom. Class bubbles will be directed to use the toilet facilities at appropriate mes. For ad hoc visits where pupils from different class bubbles may be present, children will use the facilities one at a time.

ach group/bubble will have their own area of playground to access and will be supervised by the staff (teacher and TA) ttached to their class. Although active play at both break and lunch times will be encouraged, the children will not be able to se the Adventure Trail, however on the playground/ field/ multi-use games area, use of cones or tape will create manageable ectors or zones. Use of outdoor portable play equipment will be considered after the initial stages of opening, when each small roup may be allocated their own supply, however this will need to be cleaned daily after each use.

#### Lunchtime

ursery and Reception will have an allocated, staggered start time for each group to eat separately in the hall. Years 1 -6. hether packed lunch or school meal, will eat at their desk in their own classroom. All surfaces will be cleaned both before and fter use as a dining area.

upervision will be provided by either the teaching assistant or lunchtime supervisor allocated solely to the specific cohortese staff and those supervising the play session for this cohort, will remain unchanged and not operate on a rota system, or those parents who opt for their child/children to have a packed lunch from home, children should bring their own named ater bottle (labelled on the side rather than the base) and named wipeable lunchbox each day, both of which need to be take ome daily to be washed. The lunchboxes will be stored in an allocated classroom cupboard before and after use.

hose pupils having a school-supplied hot meal (Taylor Shaw), including those on UFSM, will have a lunch prepared by the cook, elivered to the classroom by trolley in named, individual, disposable containers, with individually wrapped cutlery. Parents car rder and access the pre-choice menu via Survey Monkey, details for which were sent in the first week of the holiday. Children ould bring their own named water bottle (labelled on the side rather than the base), which again needs to be taken home aily to be washed.

he above actions will ensure that each cohort remains in isolation of other classes- that they do not mix, that they retain a ecific location and that they are supervised by the same staff.

#### **Section 4: Well-being**

#### e<u>haviour</u>

Ithough behaviour in school on a daily basis is excellent, some pupils have been away from school for a prolonged spell, and ill need reminding about routines, procedures and behaviour expectations. Children who display untypical behaviour will be nonitored closely so that signs of anxiety or emotional concerns can be identified. School anticipates that, with support, pupils ill settle back quickly into school life, as staff will rigorously and regularly reinforce behaviour throughout every day, imposing anctions when rules are broken, as well as positively reinforcing well-executed rules through encouragement and rewards. A evised Home-School Agreement (attached as Appendix A), relevant to the current circumstances will address pupil, staff and arental concerns around COVID-19. It will be issued to all parents of children attending school during this period and will effect the temporary additions to the Behaviour Policy, drawn up to reflect the new rules and routines necessary to reduce risk is the setting. To address non-compliance, for example deliberately coughing/sneezing or breaking social distancing rules, reference to the Home School Agreement will be made for pupils manifesting challenging behaviours.

#### afeguarding

Safeguarding will remain the highest priority, and all procedures will be followed rigorously in identifying any concerns and working with families and agencies to fully support all of our pupils. Safeguarding training has been refreshed for the HT (besignated Safeguarding Lead) and AHTs for KS1 and KS2 (March 2020, external provider). Safeguarding training has also been refreshed for the DHT, the AHT for EY and the school chaplain (May 2020). Safeguarding will follow the usual procedure, as new issues may arise as school reopens, or existing concerns may escalate. In the event of a local lockdown, as before, nominated staff will remain in weekly contact with vulnerable families and those CLA not accessing school provision.

#### <u>lental Health</u>

chool has existing well-established systems in place to support the mental health of its community. All staff will be vigilant in onitoring the emotional wellbeing of our pupils, and will follow safeguarding procedures regarding any concerns. then the children first come to school rules, routines and expectations associated with this return period will be relayed in a ensitive manner, so as not to overly worry them. A weekly virtual worship planned by the Chaplain will be shared though the nartboard in the individual bubble. For children requiring additional reassurance, a sign to indicate a 'hug' for both staff and ipils to use (arms crossed over the chest) will be introduced and other 'signs' will be added. A significant amount of time wi spent considering the children's mental wellbeing. The adults in school will acknowledge that it is normal to feel worried and at there are ways this can be supported for: individual children who have found the long period at home hard to manage ose who have developed anxieties related to the virus; those about whom there are safeguarding concerns; those who have sperienced bereavements in their immediate family or wider circle of friends or family or had increased/new cari<mark>ng</mark> sponsibilities and those, who have missed the routine of school, seeing their friends, and being supported by their teachers nd other adults in the school. The different experiences all pupils will have had at home will naturally play a large part in how sily they re-adapt to attending school and its routines. Staff will need to strike an appropriate balance between reintegrating pils into a reassuring and familiar work ethic to support their mental wellbeing on the one hand, and identifying and taking me to address explicitly individual concerns or problems on the other. Therefore, the PSHE curriculum will be modified to, rovide: opportunities for children to talk about their experiences of the past few weeks; opportunities for one-to-one priversations with trusted adults, where this may be supportive; positive opportunities to renew and develop friendships, and ther enriching developmental activities and some refocused lessons on relevant topics, for example staying safe. Sharing with amilies how to support the children's understanding of the current situation in an age-appropriate way, whilst ensuring the arents' consent and awareness is obtained, is crucial to this process. To this end, a Wellbeing Team and class wellbeing mbassadors have been appointed, coordinated by the school chaplain who will consider how to capture this information ensitively and use it to signpost external support. See welcome letter from the chaplain (attached as Appendix B), milies, can be signposted to: www.annafreud.org/on-my-mind/self-care/ //www.barnardos.org.uk/see-hearrespond ttps://www.childbereavementuk.org/; https://www.cruse.org.uk/;

https://www.nhs.uk/servicesearch/otherservices/Bereavement%20support/LocationSearch/314, https://www.saferinternet.org.uk/; https://www.internetmatters.org/ and https://www.net-aware.org.uk/

he HT will monitor Operation Encompass inbox and respond as appropriate. Reduced family income; parents notified how to pply for FSM via school office. Communication will be maintained with social workers- telephone, online, or face-to-face.

#### **Safe Return Guidance for Parents**

#### St. Anne's CE Primary and Nursery School

The following times may be subject to change after three weeks of trialeel

#### The journey to school

Plan your journey in good time; it is imperative that children arrive within their allocated time slot and at the correct entrance.

Please organise for 1 adult only to drop off your child/rer

- Please do not arrange to walk with others who are not from your household and avoid popping to the shop on the way.
  - Keep your distance-children will be excited to see one another, but they must remain socially distant (2 metres or more).
    - Avoid public transport; take the opportunity where possible to walk or cycle to school.

you have to use the sar, keep the number of people in the sar to a minimum, and, ensure, handwashing/sanitising, occurs, beforeleaving, home.

Please make a note of your start times as these are different for each group-

We are asking all parents to avoid gathering outside the gates.

#### **Arriving at school**

- Ensure you arrive at your child's allocated entrance into school, on time. Markings and posters show entrance to the school
  grounds is accessed via the pedestrian gate and exit via the car park.
- Remain at least 2 metres away from others at all times markings and posters will be provided to help you
  maintain this distance along the pathways and staff will be on hand to instruct parents in the initial stages. Please
  ensure that you listen to instructions and follow the 2 metre rule.
- Parents will not be allowed into the main door reception area. Should you wish to contact a member of staff, please

  send a message via email or phone the school office.
- Only one parent/carer permitted to accompany their child. If other siblings can't be left at home, they may
  accompany the adult, but this must be kept to necessary cases and the whole household unit must follow social
  distancing.
- If a parent/carer needs to leave siblings at different allocated times, they must join the allocated socially distanced grid in the playground and wait. Otherwise, please contact the office for advice.
- Nursery parents should follow their usual route to the Nursery, where you will be met at the door. Please do not
  cross the hatched area. Children only should enter the Nursery. Please exit via the car park gates.
- Children from Reception to Year 5 must be accompanied onto the yard, following the usual route. Staff will meet
  children at the external entrance to the classroom they are based in. Please do not cross the hatched area. Children
  only should enter the school.
- Year 6 pupils should enter the yard unaccompanied. Staff will meet them at the gate to direct them for the first day.
- All children will enter the classrooms via the yard; no one is to use the main entrance.
- Please note that if children find it hard to leave parents, staff cannot break social distancing rules to comfort them
  and help guide them into school.

- Children will be supervised to wash/ gel their hands before being directed into their seat.
- Once children are dropped off, please exit the yard immediately, via the normal route and then leave the premises via the car park gate as indicated, continuing to abide by social distancing guidelines. This is to minimise situations where parents who are leaving may encounter parents who are arriving. If you do encounter others, particularly on the 'pinch point' of the path by Year 6 window, please either wait or stand aside until the path is clear.
- Please support us to set a good example of social distancing by not gathering at the school gate as you leave.

#### Pick up

- Ensure whoever is picking your child up is on time and knows their allocated collection point. They should try to arrive as close to the pick up time as possible to minimise the numbers of people waiting.
- There is a staggered end to the school day to ease congestion.
- Only one parent/carer permitted to collect their child. If other siblings can't be left at home, they may
  accompany the adult, but this must be kept to necessary cases and the whole household unit must follow
  social distancing.
- If a parent/carer needs to collect siblings at different times, they must join the allocated socially-distanced grid in the playground and wait. Otherwise, please contact the office for advice.
- Remain at least 2 metres away from others at all times—markings and signage will help you follow the
  two metre rule. Please wait on a line outside your child's classroom and follow the instructions of
  staff. Please walk around anyone already waiting, giving them a minimum of 2 metres clearance.
- If you have any messages or questions for staff, we ask that you send a message by email or phone to the school office.
- Once your child is collected, depart the school grounds promptly and adhere to social distancing rules.
- Parents advised to supervise their child/children in washing their hands on arrival home from school.

#### Before the next day

- Ensure children's clothes go straight into washing baskets/machines when they enter the household.
- It may become good practice for children to have showers/baths earlier than they normally would, decreasing the risk of transmission from school to the household.
- Talk to your child(ren) about anything that may be causing them to be stressed or anxious about school.
- Remind children about safe practice such as coughing into elbows, 'catch it, bin it, kill it', not touching face etc

- Ensure a clean set of washed clothes is ready to wear
- Wash and refill water bottles for the next day.
- Wash and wipe lunch boxes with anti-bacterial spray.

**Drop off Times** 

In Year 6, numbers of returning children are higher, therefore this group has been split into two. You will receive

also that the following staff were unavailable on-site since school closure in March, but are anticipated to

be available from September: Mrs. A. Harrison (DHT), Mrs. S. Barron (Y1 teacher), Mrs. W. Elsdon

(teacher), Mrs. C. Simpson (school chaplain), Mrs. S. Peairs (TA).

#### Safe Return Guidance for **Pparents**

#### St. Anne's CE Primary and Nursery School

The following pages show you some of the posters referred to in the Parent Guide which will be displayed around school

Formatted: Font color: Dark Red

#### Formatted: Left

#### **Developing symptoms when in school**

- If a pupil develops symptoms in school they will be isolated straight away in a separate, well-ventilated room with one of the staff members attached to their pod, until they can be picked up.
- Staff has a supply of PPE, for which they are given explicit instructions for use.
- That pupil will then need to isolate and book an appointment to be tested for COVID 19.
- · Only after this period and with confirmation of a negative test result, may pupils return to school.
- Should a pupil receive a positive test result, school must be informed immediately for the Head-Teacher to take advice from Public Health England.
- Because of this, it is essential that all parents are contactable throughout the school day. If you
  have recently got a new home or mobile phone number, please make sure that these are up to date
  with the office.

#### **Cleaning Regimes, First Aid and Hygiene**

### <u>Cleaning</u>

Staff expectations about cleaning and hygiene are clear. A store of the recommended cleaning products will be readily-available in the immediate area of the classroom/toilet areas for spot cleaning by staff allocated to that 'pod', together with the normal first aid kits.

Robust cleaning regime in line with 'Cleaning in Non-Healthcare Settings' in place for all classrooms in all areas of the
school with an additional cleaner redeployed to ensure cleaning takes place twice daily. Any toys and equipment not
easily cleaned will have been stored away until after the pandemic. Surface cleaning of high contact surfaces, includingtables, handles, taxe and light switches, to be disinfected twice daily.

- Lidded pedal bin liners to be double bagged and emptied before completely full at least once a day.
- Toilets cleaned twice daily using standard cleaning products and sprayed with disinfectant

#### Deep Clean Deep Clean

- School will close early on a Friday afternoon to accommodate the weekly recommended deep clean
- A deep clean/ decontamination/ disinfectant process took place undertaken by a registered specialist LA external providerin the half term break, to include all classrooms, offices, shared areas, corridors, staffrooms and external shed pluscontents. School was closed during this process, in line with H and S guidance.
- A further deep clean of all areas of the school site will be carried out during the summer break

#### Handwashing

#### <u>Handwashing</u>

- Appropriate grade of hand sanitiser available in class; only to be used by children with close adult supervision.
- Pupils and staff follow the 'Catch it, Bin it, Kill it', guidance and avoid touching their faces, noses etc. practice followed whilst at school. Pupils taught to cough and sneeze into their elbow and away from the direction of other pupils and staff.
- Staff and pupils are directed to wash their hands before and after eating and following coughing and sneezing and where additional-need identified. Pupils and staff ensure that they thoroughly dry their hands
- Pupils are taught and supervised to wash their hands for 20 seconds by staff members, throughout the school day. Pupils supported
  by a member of staff if required.
- Staff and pupils wash their hands at the end of the school day.
- Posters (e-bug) Horrid Hands, Super Sneezes; Hand Hygiene; Respiratory Hygiene; Microbe Mania Catch it, Bin it, Kill it'posters located in all appropriate areas.
