<b>Pupil Voice Action Plan for 'Eco Warriors Team'</b>					
<b>Task and Strategy</b>	<b>Success Criteria/Impact</b>	<b>Time Scale</b>	<b>Resources</b>	<b>Estimated Cost</b>	<b>People Involved</b>
To maintain the notice board in school in according with Termly themes.	For the area to be interactive, informative and a visually attractive space that supports the work we've been doing.	Throughout the school year.	TBA	TBA	Mrs Johnson Eco Warriors Team
In light of COP26 inform the school on climate change. What can we do to make a difference?  Also to support ways to curb the deforestation happening around the world especially in the Amazon.	Maybe make a book of tips on how a little change can go a long way. Put thoughtful tips into the newsletter each week? Turn lights off etc. To fundraise for a charity or to make pupils aware through collective worship.	Throughout the school year.	Time		Mrs Johnson Eco W Team Mrs Sixsmith
To respond to pupil led initiatives and local/global needs and formulate a calendar accordingly.	To support chosen initiatives,  *See ideas below	September 2021 ongoing			Mrs Johnson Eco W Team
To support our local community through looking at what little change could make a big difference such as litter picking. Ensure a clean school site and maybe coordinate a big litter pick.	To work with Mr Frost on keeping a clean school site. Work with volunteer organisations to help in the local community.	January 2022 onwards		Nil	Mrs Johnson Eco W Team Mr Frost

To plant more trees or more flowers if affordable	To encourage wildlife on our school site, plant more trees and flowers.	Spring 2022			
If possible, build compost bins on site to reduce food waste and help to keep our plants fed.	If funding allows	May 2022			

\*Ideas to consider:

#### Local/ school-based

- Can we reduce our energy/heating by 1 degree to save energy? Teachers to decide what is acceptable.
- Can we have a colour system for switches that can be turned off? Red, never turned off, orange can be turned off and green off when not in use.
- Can we have one day a month where we eat a cold lunch to reduce energy use in the kitchen?
- Make sure all our radiators are clear and not covered to allow energy to be released.
- Encourage a bike to school day each week or twice a month, to reduce car travel to school.

#### Global

- Reduce single-use plastics in the world's oceans
- Adopt an ocean creature through the WWF
