Year 1 Visit to the Locomotion, Shildon

Such a wonderful day at the Locomotion to support our History topic Transport and Travel through time.

I would like to share with parents the excellent behaviour and manners of our fabulous Year 1 children today. They showed curiosity and fascination by listening carefully, taking part and asking excellent and insightful questions. I was super proud of them!

You would have been very proud too!

Miss Taylor

School Meals

This week we began the new system of children being allowed to choose their own meal selection. This has proven very popular, however we have noticed that an increased number of children are selecting the sandwich choice. This is not a problem, however we know from previous meal selections, it has been preferred for the majority of children to have a hot meal. Children will be encouraged by the kitchen and lunchtime staff to try the hot meals, but could we ask that you speak with your child about the menu choices available (menu below). We will continue to update you should there be any issues regarding children not eating what they have chosen etc.

Road Safety

Could we please ask that extra care is given when parking outside of school. We have had reports from other motorists of some near misses and concerns raised over the safety of our children. We kindly ask that you consider other motorists as well as our neighbours. Thank you for your support

Polite reminder that children who have vomited or have had diarrhoea should remain off school for 48 hours from the last episode. This is to ensure your child is fully fit before returning to school and also to help stop the spread of illness to children and staff. Thank you
