

St Anne's CE Primary School & Nursery

NEWSLETTER

Last week Year 6 joined dozens of other Church of England primary schools from throughout the county and the north east for a special service at Durham Cathedral.

Olly and Eva proudly joined a procession down the central aisle of the cathedral to display our school banner. The Year 6 Leavers' Service has a theme of transition - to help the children start to think about the changes that will happen in their life as the move from primary to secondary school.

Mr Weatherall said, "The children represented the school very well. The songs, prayers and prayer space activities gave each of us a moment to reflect upon our time together since September and to think about our final few weeks together."

Bubble Fest!!

What an amazing afternoon we had yesterday at our Bubble Fest with Pirate Rob! Lots of bubbles, dancing and games. Our children loved every minute, which you can see from these fabulous photographs. It is wonderful to see our children having such an amazing time. Thank you Pirate Rob

PIRATE ROB'S BUBBLE FEST

Head Teacher: Mrs S Binks

Minds to learn hearts to care.

What a difference the sunshine makes when we are outside exploring, it has led the children to investigate different ways to stay cool. They have particularly enjoyed den building and water play!

The children who are moving to Reception have started phonics this term and are working super hard on their formation! They are also very excited about their big girl/boy jobs ready for school.

I just love how enthusiastic the Nursery children are and how much they love to learn!

Mrs Hart

Football World Cup

Today our football team took part in the Education Enterprise Football World Cup at Staindrop Academy. The team did St Anne's proud, with their excellent sportsmanship, playing so well as a team. They never conceded a goal in the whole tournament, but very unlucky to be knocked out on penalty shoot out in the semi finals. They then went on to play for third place and won!!!

Mr Hodgson and Miss Turnbull are incredibly proud of them - well done everyone we are so proud of you all!! Thank you to Mr Hodgson for coaching our team today

We are so excited to take delivery of our new clothing bank from Fundraise & Recycle. We would welcome donations of clothing, shoes, bags, belts and accessories (sadly no books, curtains or other heavy items). Our bank will be emptied every few weeks and is accessible throughout the school week and during school holidays when the site is open. Our Charities Team will promote the clothing bank and you will be able to see our progress.

We warmly invite all members of our school and local community to join us for a special summer picnic in memory of our much-loved teacher, colleague and friend, Mr Owen Browell.

This gathering will take place on the school field following Sports Day on Tuesday 1st July and is open to everyone who wishes to come together to celebrate Owen's life and the incredible legacy he leaves behind.

Bring a blanket, your favourite picnic food and wear red to represent his much-loved football team, Arsenal.

School gates will open at 3:45pm. There will be cake stalls, raffles and plenty more to enjoy so remember to bring some pennies.

Monies raised from the children's sponsored run will go to the Brain Tumour Charity - a charity close to the heart of Mr Browell's family.

Let's fill the field with laughter, stories and smiles that Owen would have wanted.

Please spread the word—all are welcome.

I'M AN 11-YR-OLD

Year 3 Citizen	<i>Maddie</i>
Year 3 English	<i>Henry</i>
Year 3 Maths	<i>Oliver</i>
Year 4 Citizen	<i>Poppy S</i>
Year 4 Maths	<i>Zach</i>
Year 4 English	<i>James</i>
Year 5 English	<i>Kai</i>
Year 5 Maths	<i>Sophie</i>
Year 5 Citizen	<i>Grace</i>

Polite reminder that children who have vomited or have had diarrhoea should remain off school for 48 hours from the last episode. This is to ensure your child is fully fit before returning to school and also to help stop the spread of illness to children and staff. Thank you

Medication

Please ensure that all medication, including over the counter medication is taken to the School Office each day and the appropriate form is completed. No medication should be placed in your child's bag or lunch box. This will ensure that the medication is managed correctly and is not accessed by another child.

Polite reminder that no dogs should be brought onto school property including those being carried.

Thank you

We are looking for donations of raffle and tombola prizes for our Community Event on Tuesday 1 July.

Donations will be gratefully received at the School Office up to Tuesday 24 June.

Thank you for your continued support

Can we please ask that children do not come to school wearing Crocs. Thank you

Please don't forget to ask for your tokens and help us raise funds for our school library

Stronger Starts.

St Anne's CE Primary School calls out for votes to get a share of Tesco's Stronger Starts fund

St Anne's is bidding for a cash boost from the Tesco Stronger Starts scheme. Stronger Starts provides grant awards of up to £1,500 to local community projects, with a particular focus on children and young people. Three groups in every community have been shortlisted to receive grant awards and Tesco customers can vote for the group they think should take away the top award in their local Tesco store. St Anne's is one of the groups on the shortlist in Bishop Auckland.

We would use any funding available to "To refurbish our school library so that all children, staff, volunteers and visitors across school can enjoy reading for pleasure"

Voting is open in all Tesco stores from April to the end of June 2025. Customers will cast their vote using a blue token given to them at the check-out each time they shop. Tesco's Stronger Starts – previously known as Tesco Community Grants - has already provided over £117 million to more than 67,000 projects across Britain. This £5m Stronger Starts grant programme, delivered in partnership with Groundwork UK, helps schools and children's groups provide nutritious food and healthy activities that support young people's physical health and mental wellbeing, such as breakfast clubs or snacks, and sports equipment for after school clubs.

Claire de Silva, Tesco UK Head of Communities and Local Media, said: "Helping schools and children's groups access the food and resources they need is vitally important in getting children a stronger start in life. Children with enough food have more energy, better concentration, and ultimately achieve more too."

Graham Duxbury, Groundwork's UK Chief Executive, said: "As a community charity, we have seen first-hand how schools and other groups supporting young people have been playing a much bigger role in ensuring children are getting a healthy start to the day and getting access to spaces and services to support physical activity and mental health. Family budgets are tight and school budgets are tight, but it's so important that children stay fed, fit and focused, so we're delighted to be able to prioritise these activities alongside Tesco with the Stronger Starts programme."

Funding is available to community groups and charities looking to fund local projects that bring benefits to communities, particularly those helping to provide food and giving children the support, they need for a good start in life. Anyone can nominate a project and organisations can apply online.
