Spirituality Worship

This week, we have been thinking about Spirituality and how we can be more spiritual people. Through the big idea of Windows, mirrors and doors we are going to use our worship times to get to know God and ourselves. Mrs Shields led a worship with the children where we met the different symbols for Windows, Mirrors and Doors. We thought about how they will help us think about our relationships with other people, nature and God. We will use these symbols in our worship and have copies in our classroom to help with our class worship. Watch this space for news about worship in school.

This week in Year 2

In P.E this week, Year 2 have been learning how to make different emotions. Can you guess if these faces are happy, shocked, sad, laughing or confused? The children worked very well in their small groups. Well done Year 2.
