St Anne's CE Primary & Nursery School

NEWSLETTER

This week we completed our first piece of extended writing in year 1. We wrote a guide to inform people how they should look after a dragon. The children planned it well, incorporating imperative verbs, adjectives and conjunctions. We are so proud of all of the children and how hard they have worked. Their guides were very descriptive and informative.

This week in Year 6

This week Year 6 took part in their final cricket lesson. It has been lovely to see the skills the children have developed with our cricketing expert during the last seven weeks. These fundamental skills will prove invaluable when we return to the cricket topic in our PE lessons in the summer term. Both Mr Weatherall and Mrs Colman's morning groups completed the same SATS past paper this week. We completed the 2017 Reading Comprehension paper under test conditions. The results were very encouraging, especially given that we still have March and April to improve further before the big week in May.

Food bank.

Thank you so much for all of the donations towards the food bank at Woodhouse church. Year 1 are so proud of all of the food that they have managed to get in. We will be dropping this off at the food bank shortly and we hope to continue with donations after half term. Thank you.
