## This week in Year 4

Year 4 have been learning about Mitzvah Day, a special Jewish day that encourages people to take positive action and help others. Through our learning, we explored the idea of social action, which means giving our time to support those in need and make a difference in our communities.

We discovered that people from many different faiths and backgrounds across the world take part in Mitzvah Day. They come together to carry out acts of kindness such as donating food, giving blood, volunteering their time, performing for others, and visiting or supporting those who may feel lonely or in need of care.

As part of this topic, the children created thoughtful and eye-catching posters to promote Mitzvah Day 2026 and inspire others to get involved.

Year 4 would like to encourage everyone in our school community to take part—however big or small—by giving your time to support and care for others. Together, we can all make a positive difference!

## *Stars of the week*
