This week in Year 5

A Fantastic Start to the New School Year!

What a fantastic first week it has been for Year 5! The children have settled into their new class incredibly well and have already shown us what a brilliant group they are. We have been busy getting to know one another, establishing our classroom routines and, most importantly, enjoying being back together and ready to learn.

This week, we have been putting our art skills into action with a very special self-portrait activity. The children created unique portraits where one half showed their face, while the other half was filled with drawings and images representing who they are, what they enjoy and what makes them special. It has been wonderful to see the creativity and imagination that the children have shown. Every portrait is completely individual and tells us something special about the person behind it. We have loved seeing the children's personalities shine through their artwork!

Year 5 have made a fantastic start, and we are incredibly proud of how positively they have approached their first week. We are looking forward to an exciting year filled with learning, creativity, challenges and lots of wonderful memories!

This week in Year 1

We have had a wonderful and busy start to Year One! We have been settling into our new routines and talking about our feelings, including ways we can manage them. We have also placed a big focus on being kind, caring friends and helping others.

In Art, we have been exploring different types of lines and learning about artist Bridget Riley. We enjoyed comparing her artwork and were fascinated by the optical illusions!

In PE, we are focusing on football this half term and enjoyed getting started with a fantastic session from TASC Football.

It has certainly been a busy week in Year One—well done, everyone! ❤️

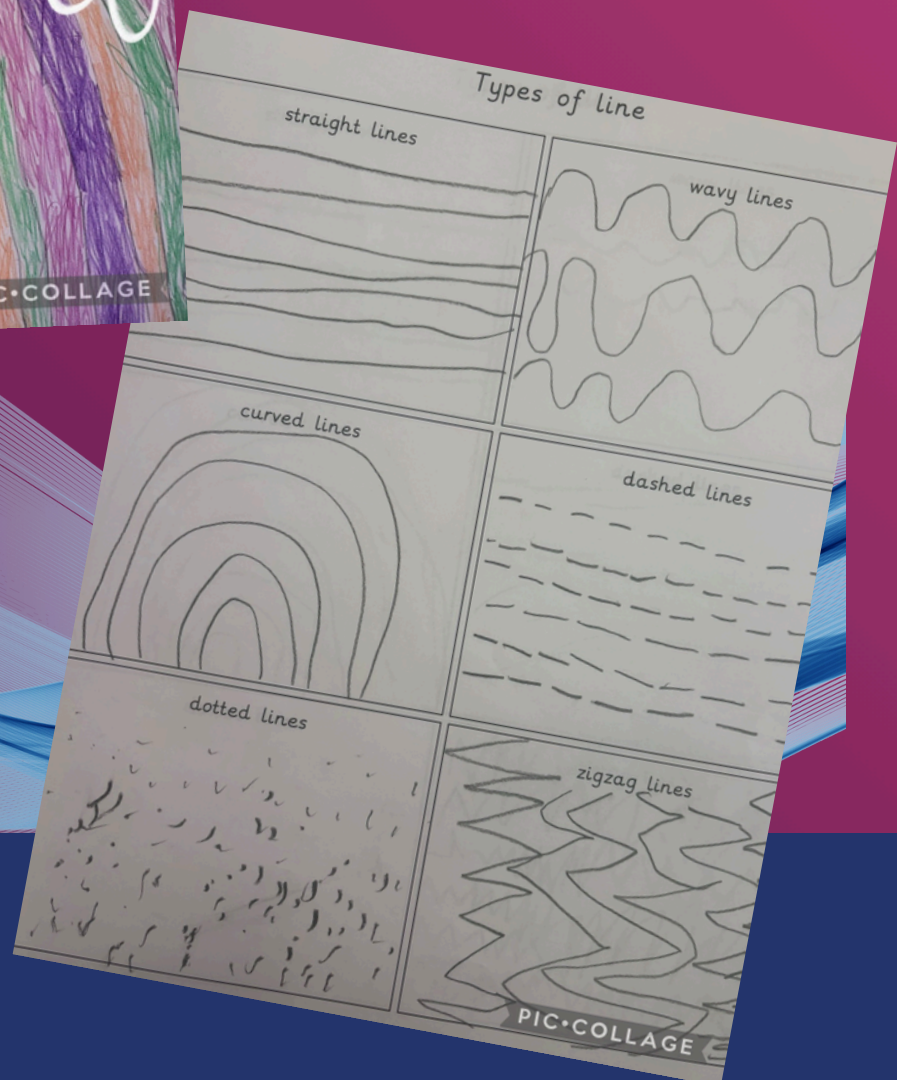

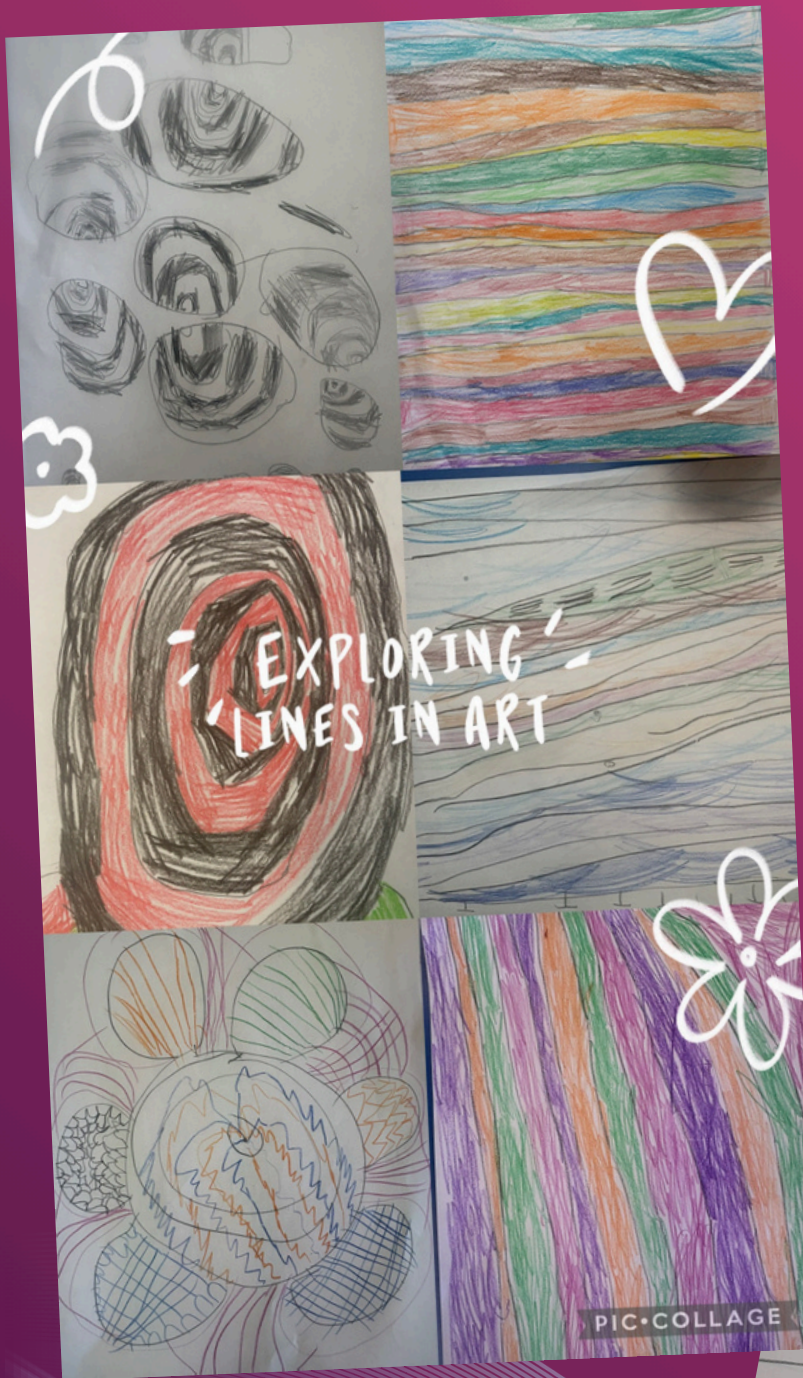

We have started the year exploring feelings through Tom Percival's 'Big Feelings' books. They have inspired wonderful discussions about what makes each of us special.

We have also been building our Year One family, sharing our hopes and wishes and creating our class rules together for a happy year of learning.

Welcome to year 1
